Founder, Setting Captives Free

"I was a captive of pornography for 15 years. By the end of that time I had lost all hope of becoming free from pornography's enslaving power. But by the power and grace of God, and the application of Biblical principles, I am now free indeed. Jesus Christ came to set captives free, and this freedom is tremendously enjoyable." ~ Mike Cleveland

Setting Captives Free exists to offer Christ-centered hope and freedom to those in the grip of sin through accountability to Bible-based truth resulting in the true enjoyment of life in and for the glory of God.

Providing Christ-Centered Hope and Freedom

I can tell you, indeed even guarantee you that you will be completely free from pornography, or whatever your particular struggle is, if you will implement the teachings in this course. I hope this gives you hope that no matter how long you have battled this secret killer called pornography, you can now be successful over it, by applying the principles taught here. Literally thousands of people who have gone through this course ahead of you are now walking in freedom, and you will read some of their testimonies as you continue on in the course.

The purpose of this course is to **actually recover** men and women from slavery to sinful habits. Our heart's desire is to reclaim those who are captive, to recover those who are enslaved; not merely to inform, but to help release.

We are an alternative to psychology, "Christian" or otherwise. We believe in biblical counseling and that God's Word is sufficient for all the problems of mankind. If you are looking for a psychological approach to overcoming sin this will not be the place. There are numerous psychological approaches, 12-step methods, therapeutical resources on the Internet if you do a search for "addiction."

³ "His divine power has given us everything we need for life and godliness through our knowledge of him who called us by his own glory and goodness. ⁴ Through these he has given us his very great and precious promises, so that through them you may participate in the divine nature and escape the corruption in the world caused by evil desires" (2 Peter 1:3-4).

"Before I was trying to quit mainly on my own strength, without replacing my thirst with the living water Christ supplies. Now I believe I can leave it all behind, because Jesus is really helping me. By drinking the living water Jesus gives, a satisfying,

fulfilling water, I believe I can be free. The difference this time is the living water. Without that, I couldn't quit. With it, I can't but help quitting." --Simon

God describes Himself as the "Spring of living water." He alone is the Source of life, refreshment, joy and nourishment for us. He is ever fresh and new, like a spring, and to "drink" of God is to receive life and be satisfied! Turning to pornography is like trying to get water from a jar with holes in it.

"Remember, before I started this course I was wrestling this demon myself and I was trying to will it away with no success. It is only through the grace, mercy and longsuffering of the Lord God that I am where I am today. As I went through these lessons I learned more about the grace of God, the forgiveness of God, the longsuffering of God, the desire of the Lord for us to be free from the bondage of this world." - Ed Mullan

"I am finding joy seeking the Lord and calling upon him. I have forsaken pornography and masturbation and I have turned to the Lord. I am so glad to receive his mercy and forgiveness. I recognize that masturbation is a sin. There were struggles in the past as to whether it is a sin or not. A book written by a famous evangelist worsened my situation. Only when I came to this course that I recognized it as sin and calling it as such, then I got free. There are no struggles anymore. My daily drink of his water and my accountability to my mentor through this course is such a big help. – Neptali

Have you been so disgusted and shame-filled over your pornography slavery that you resolved to never do it again? Only to find yourself pulled back as if by the cords of an invisible web? I have. I resolved over and over to stop, to never do that again, and yet all my resolve melted in the heat of the temptation. I was receiving God's grace in vain.

Dear friends, run the race to win. Remove that which hinders you, and anything that entangles you. It's worth it to be running light! I am no longer encumbered with the heavy and growing burden of habitual sin. I can actually run the race marked out for me and know that I am running to win, because God has enabled me to throw off the sin that so easily besets me.
