Are You Captive

Some sat in
darkness and the
deepest gloom,
prisoners suffering in
iron chains.

Psalm 107.10

65% of men responding to a Promise Keeper's poll indicated they have a struggle with pornography.

62% of Christian lay leaders and pastors responding to a Leadership Magazine survey say they have viewed pornography.

One researcher estimates that 60 million Americans have visited sexually explicit websites.

This is where we come in!

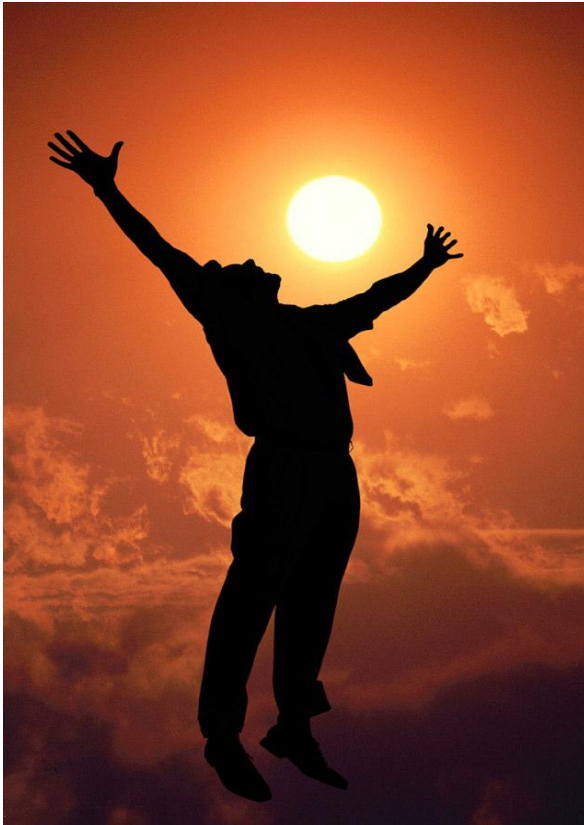

Hello Friend,

My name is Mike Cleveland, Founder and president of Setting Captives Free. I was in bondage to pornography and sexual impurity for 15 years. I know the power of temptation and the guilt and shame that come from continual falling to this sin.

I read every book I could get my hands on, went from one counsellor to another seeking help, tried 12-step programs, therapy, and religion only to find that after all that time and money I was still falling.

In January of 1999 I found myself in front of my pastor confessing the power that this habit held over me. What he told me that day, and what he taught me in the coming months, has freed me completely from the prison of pornography and sexual impurity.

- Mike Cleveland, Founder and President of Setting Captives

God has released me from the death-grip that sin had on me, and I have been free from all forms of sexual impurity for 10 years (as of January 1999). It is such a joy to walk in victory over that which I was in bondage to for so many years.

From prison to praise! That's where God has taken me. 24 years addicted to sex sins, and now living in freedom from guilt, shame and sinful lust. I can't stop praising and worshipping God now!

My problem with pornography began when I was 10-years-old. I went home from school and walked in on my older brother and a friend of his who were watching a pornographic video. That planted the seeds of addiction which lasted for 38 years. I came to **Way of Purity** course at Setting Captives Free in January 2000. God did a miracle in my heart, released me from these sins, and I have been free ever since. I have confidence that, as I employ the principles I have learned here, God will keep me from falling for the rest of my life. By the way, while I got free **by God's amazing grace**, my brother's addiction took him into homosexuality and he died several years ago of AIDS. I thank God for freedom from that which would have probably killed me, too.

Friend, if you are sensing the need to be free from pornography and sexual impurity, I invite you to take the free, interactive, 60-Day **Way of Purity** course, the following pages explain how this ministry operates, introduces you to some of the mentors with Setting Captives Free, and shows you how to get started on your path to freedom.

Slavery to sin covers the life with guilt and saps all of our strength, but freedom in Jesus revitalizes our entire life. I'm very thankful that God set this captive **FREE!**

The Bruellman Family

Hello! I came to Setting Captives Free in utter despair in October 2000. I was freed through the biblical teachings of the **Way of Purity** course, and the loving counsel of my mentor. After cleaning up my life I began bearing fruit, and through Gods grace alone, my unconverted wife of 12 years accepted Jesus as Lord, and started serving Him. Before I came to SCF, she was ready to divorce me, but now we act like giggling newlyweds all the time. Oh, that more would come and find their freedom through this course, too!

- Shon Bruellman, West Bend, Iowa

I am enjoying mentoring men to freedom in Jesus in the **Way of Purity** course at Setting Captives Free. Are you struggling? Do you need freedom? Come and join us today, and see what freedom does for your life.

How to get started on the right path, a path that will lead you to [The Way of Purity!](#)

First: Logon to the Internet and go to <http://www.settingcaptivesfree.com>
If you do not have internet filtering, go to www.safeeyes.com to sign up for the Best in Internet filtering and reporting.

Second: Click on the Way of Purity course icon and enroll.

When you enroll our database will randomly select one of over 120 mentors and assign your enrollment form to them (male enrollees are placed with male mentors and female enrollees are placed with female mentors). Once you have enrolled you will receive an auto responder email welcoming you to the **Way of Purity** course and providing you with a copy of your username and password. After your enrollment is complete you will be presented with a page of services and tools that you may wish to take advantage of.

Third: Start Day One.

As you begin to take the first lesson in the **Way of Purity** course you should first pray and ask God to help you learn and apply the principles that you will study in the course. Every day of the course consists of reading the material, thinking through and thoroughly answering the questions, and marking either "yes" or "no" to the daily accountability questions asked you at the bottom of the day's study material.

Now, when you have finished thinking through the material and answering the questions, go back up and read through your answers again. Make sure that you have stated your thoughts accurately, and then press the "submit information" button at the bottom. This submits your course work directly to your mentor, nobody else will see it.

Next, you can listen and read through the daily devotional. These devotionals are songs and thoughts that correspond with the daily lessons and are meant to solidify through song the lessons taught.

After the devotional there is a link to click on to read the testimony for the day. These testimonies are from people who, like yourself, are finding freedom from pornography and sexual impurity.

Finally, be expecting to receive an answer from your mentor through email within 24 hours. This answer will contain answers to any questions you had, corrections if need be, and additional Scriptural truth that will help you learn the material that you studied in Day 1. Please listen and try to learn from your mentor. These mentors have found freedom in Jesus Christ, they know what they are talking about and are here to personally walk with you and help to teach you that which will profit you.

Four: Step back and watch God work!

It is NOT TOO LATE, you can WIN! Look what these people have to say about ...

It's hard to imagine that just five years ago my involvement with pornography had led me to the point of contemplating suicide. But now I am free in Jesus, and I love working with men in the **Way of Purity** course at: <http://www.settingcaptivesfree.com>.
- Rob Robertson (Ministerial Coordinator Australian Division)

Interacting with the men, encouraging, uplifting and having the same done for me has been awesome! Setting Captives Free has been a great tool for God to continue to mold me into all that he wants me to be as a Christian man.

Featured Testimony

I was fast introduced to porn as an early teen by finding my father's magazines and in trash receptacles on military bases where I lived. That led to movies and then to Internet porn. All of this time I was a believer in Jesus Christ as my Saviour, but I was leading a double secret life for more than 20 years. It ate me up on the inside and separated me from God, my wife and family. My marriage suffered. It was not that I didn't try to stop; because I quit many times swearing that I would never do it again. Freedom only came after taking the **Way of Purity** course and seeing that turning from my sin was not enough. I had to turn to Jesus Christ, the author and finisher of my faith. God's grace is sufficient.

- Lee Coker, Mentor, Setting Captives Free

"The Spirit of the Lord GOD is upon me, because the LORD has anointed me to preach good tidings to the poor; He has sent me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to those who are bound."

-Isaiah 61:1

Think of it, friend, freedom from impurity of all kinds, freedom to worship God in the beauty of holiness, freedom to love your family, freedom from guilt, shame and condemnation.

The Way of Purity! It's a beautiful thing!
